 - totaling **\$1.7 Billion in requests**
 - Anticipated NVTAA action June 2020

Diversion of Revenues – Impacts on Inaugural Six Year Program

- **HB 1539: Transient Occupancy Tax and Grantors Tax diverted for Metro Funding**
- **Resulted in:**
 - **\$275M** Reduction in Available Revenues for the FY 20218-2023 Six Year Program
 - **\$75M** Annual Reduction in 70% and 30% Revenues
 - **\$27.12M** from WMATA Localities' 30% or Other Funding Sources

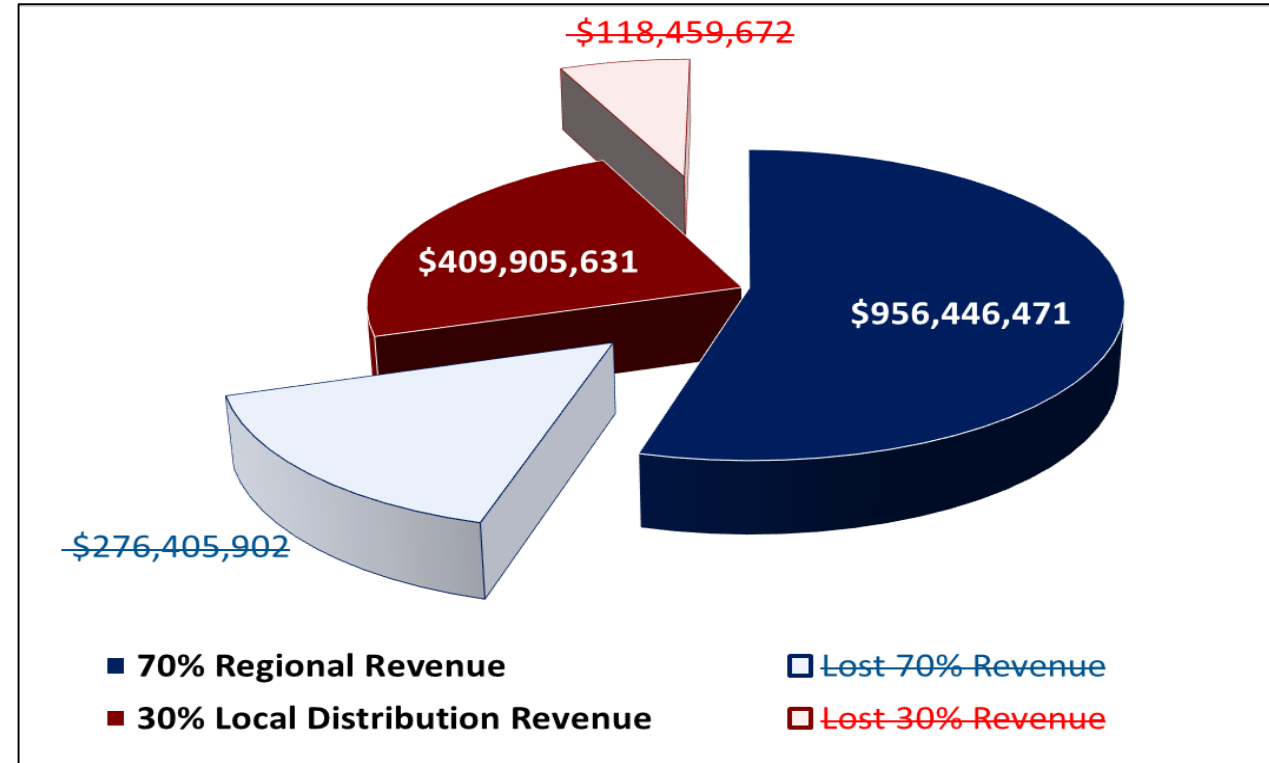

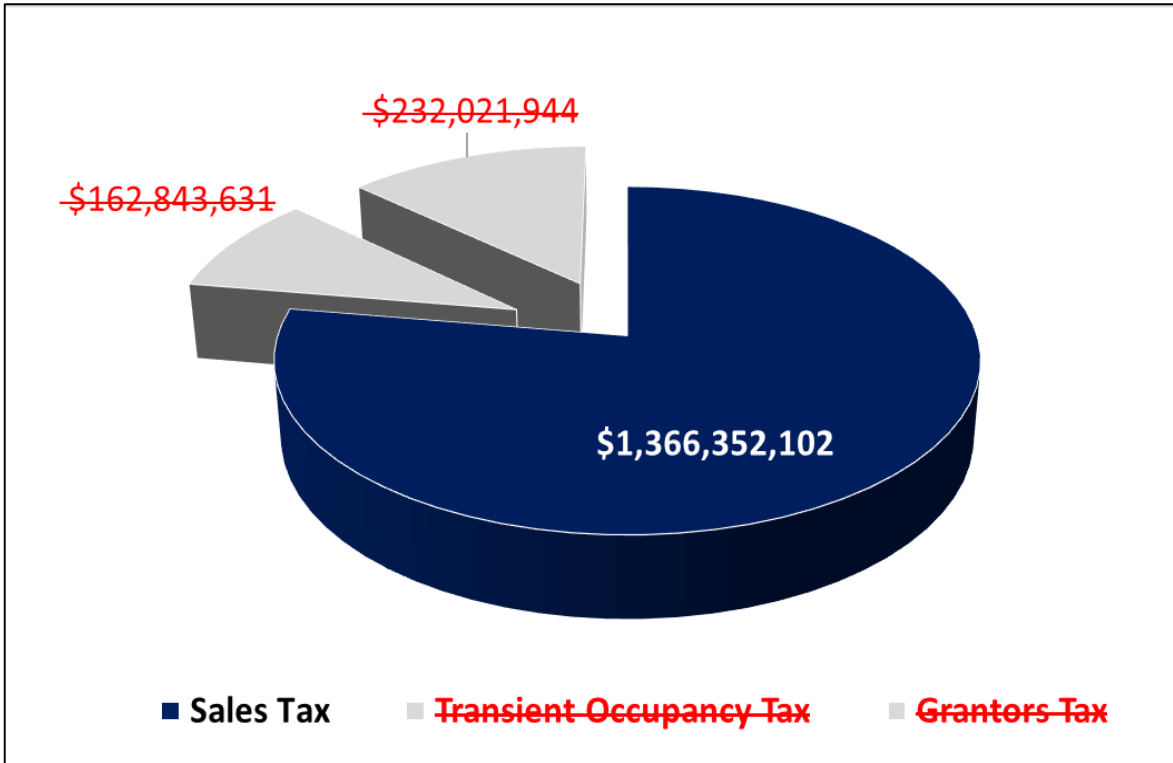

Revenues After HB 1539

FY2019-2023 Estimated Revenue Breakdown by Tax Type: REVISED

FY2019-2023 Estimated Revenue Allocation: REVISED

NVTA Funding Restoration

Senate Bill 1716 (2019) and House Bill 2718 (2019)

- Legislation to dedicate funding to Interstate 81 (I-81) improvements resulted in new revenue for NVTA.
 - Dedicated funding: as much as **\$20 million** annually for NVTA
 - **FY20 - \$9.3M**
 - **FY21 - \$13.7M**
 - **FY22 - \$20M**
 - **\$20M** – Down payment on Authority restoration

Wayfair Decision (2019)

- Small increase in sales tax revenue due to the Commonwealth's implementation of remote sales tax based on the Wayfair decision.

*Restoration of Long-Term Funding to the Authority

Regional Revenues Making a Difference 2019 Groundbreakings/Ribbon Cuttings

4 Groundbreakings:

- OmniRide W. Maintenance and Bus Storage Facility (PRTC)
- Rt. 7 Widening (Fairfax Co.)
- W. Falls Church Multimodal Transportation Project (City of Falls Church)
- Rt. 7/Battlefield Pkwy Interchange (Town of Leesburg)

3 Ribbon Cuttings and/or Completions:

- Northfax Intersection Improvements (City of Fairfax)
- Rt. 28 Improvements (Prince William Co.)
- Slaters Lane Rail Crossover (VRE)

Regional Revenues Making A Difference

- **Upcoming Groundbreakings (2019 and 2020):**
 - Potomac Yard Metro Station (City of Alexandria)
 - Rt. 28 Widening (City of Manassas)
 - Falls Church Enhanced Regional Bike Routes (City of Falls Church/NOVA Parks)
 - Crystal City Streets (Arlington Co.)
- **Upcoming Ribbon Cuttings (2019 and 2020):**
 - Glebe Road ITS Improvements (Arlington Co.)
 - 3 ITS Projects (City of Alexandria)
 - Rt. 28 Hot Spot Improvements (Loudoun Co.)
 - Innovation Center Metrorail Station (Fairfax Co.)
 - Leesburg Park and Ride (Loudoun County)
 - OmniRide W. Maintenance & Bus Storage Facility (PRTC)
- **National Landing Investments:**
 - **19 projects in or impacting National Landing, totaling \$228M**

Regional Revenues Making A Difference Economic Impact Analysis of HB 2313

Economic Impacts of

\$3 BILLION¹

in Regional Funding through the

NORTHERN VIRGINIA TRANSPORTATION AUTHORITY

This study was completed by Richmond, VA-based Chmura Economics & Analytics.

The study period analyzed is FY2014-FY2024.

¹ NVTA FY2014-FY2024 Actual and Estimated Revenues

Key Takeaways

Creating Jobs 

Of the **26,000** jobs created through NVTA project funding, **90%** are staying in NoVa, adding to the tax base and ensuring the future growth and vitality of the region.

Saving Travel Time 

209 million hours of travel time, or **\$3.1** billion dollars in monetary savings, giving the taxpayers more than **100%** return on the taxes they entrust to NVTA. NVTA's projects are expected to save Virginia citizens

Triggering Momentum 

NVTA's funding of **\$1.9** billion in 95 multimodal regional projects has triggered another **\$3.8** billion in additional investments. **\$5.7** billion in critical transportation projects to NoVa

The taxes paid by Northern Virginians to NVTA, benefit the entire Commonwealth through increased economic activity.

Thank you!
